The following teachings are from the lectures of B and represent Daniel Quinn's historically-based ideas of human evolution and the future of human history. The Story of B - Wikipedia - Quinn's research: religious ethics, religion and tragic dilemmas, religious epistemology, religion and political liberalism, Christian philosophy of religion, and religious diversity. A Brief Sketch of Quinn's Life Many who know Quinn's work may be surprised to learn that his philosophy training was actually in the philosophy of science.
